ARMOR

This catalog is arranged by part number. This means that you will find transfers for vehicles of different nations and eras mixed together. I know it would be preferable to group them by nation or subject but because every new release gets the next available part number I would have to be constantly rearranging the catalog. To preserve my sanity I chose to do it this way.

U.S. AMBULANCE MARKINGS

1/35
AR35002

1/48
AR49017

\$11.95

\$8.95

Markings for one large and one medium U.S. Ambulance. Comes with detailed history and directions.

See AR35149 for the companion 1/35 sheet.
See AR49018 for the companion 1/48 sheet.
